Ipad pro 11 inch 2018 cũ.

Tuesday July 19, 2022 11:53 am PDT by Joe Rossignol... Launched in 2017, the iPhone X was a major evolution of the iPhone. The device replaced the Home button and Touch ID with swipe-based navigation and Face ID, while introducing new features like an OLED display, Animoji, wireless charging, and more. Even five years later, the iPhone X is still a capable smartphone. If you've been holding on to your iPhone X and are considering upgrading to... Like New devices are not brand new, but they're as good as new. The only difference is that they may have some wear and tear and superficial scratches, but there will be no more than five deep scratches or chips up to 2mm in length. We'll make sure every device is loaded up with the latest operating system and rigorously tested before being re-packaged in an O2 box for whoever gets in first. Plus you'll get a 12 month warranty to put your mind at ease.
